(☎0564 56 97 37; www.caminino.com; Via Provinciale di Peruzzo, Roccatederighi; ste from €110, apt from €90; ❄️ P 📶 🚰) It would be a hard task to find another sleeping option to match the historic atmosphere at this now-decommissioned 11th-century monastery 25km north-east of Vetulonia. Set on a 200-hectare estate planted with olive trees and vines, it offers charmingly decorated suites and apartments sleeping up to five persons. All have sitting rooms and basic kitchens, two have air-con.
